the generated pdf.

You have to make two returns

More returns than two doesn't matter.

2 Numbering

2.1 SubNumbering

SubNoNumbering

2.2 SubNumbering

3 Formatting

This is normal text.

This is in bold

This is in italic

The next words *are in emphatic*

The next words are underlined

'This is in quotation marks'

‘This is in proper quotation marks’

”This is in quotation marks”

“This is in proper quotation marks”

“This is in proper quotation marks”
